Dear Patrick Corless,

DLA Troop Support Construction & Equipment has approved Metal Mart International cc 7L636 application as a qualified distributor of Bulk Metals under the Qualified Suppliers List for Distributor (QSLD) Program for 3 years effective the date of this letter. **Keep in mind that audits may be conducted at any time, and qualification is always contingent upon your continual compliance with the Criteria and Provisions of the QSLD Program.**

As a reminder, your company's status as a QSL approved source for Bulk Metals will expire on October 28, 2029. **A renewal application must be submitted 120 days before the expiration date** in order for your application to be processed in a timely manner. If your status has expired and no renewal application has been submitted, your company will be removed from the QSL program.

Also, please ensure that your System for Award Management (SAM) registration is up to date as your company standing in the QSL program will be affected if SAM registration is expired.

Any questions regarding this matter can be addressed to Raven Vann at 267 951 5600 or raven.vann@dla.mil. You can also browse the DLA QSL website at <https://www.dla.mil/What-DLA-Offers/Consumable-Hardware/Qualified-Suppliers-List/>.

Thank you for your participation.
